Project contact: Monica Wauck Smith
monicawauck.smith@milwaukee.gov (414) 286 5613

Join the City of Milwaukee and the Historic King Drive BID at the third Moving Milwaukee Forward community workshop. With the possibility of a future streetcar line connecting King Drive to downtown, the City wants to hear from residents about:

- Where transit oriented development should occur and what it should look like
- How to make the neighborhood better for walking
- What housing options residents need in their neighborhood

Your input will help shape the future of your neighborhood.
